Mr. David Henderson  
Wastewater Treatment Utility Director  
City of West Lafayette  
500 S. River Road  
West Lafayette, IN 47906

Subject: North Side Regional Lift Station and Force Mains  
Engineering Services Agreement  
Amendment No. 1 – Preliminary Engineering Report

Dear Mr. Henderson:

Enclosed are three copies of the proposed Contract Amendment for the preparation of a preliminary engineering report to qualify the North Side Regional Lift Station and Force Mains Project for low interest State Revolving Fund financing. If the Amendment meets with your approval and the Board's approval, please have the Board members execute the Amendment and forward one copy of the documents to me.

If you have any questions about anything in the Amendment, please give me a call.

Yours very truly,

Greeley and Hansen LLC

Joseph Teusch, P.E.  
Associate

AMENDMENT NO. 1  
to  
AGREEMENT FOR PROFESSIONAL ENGINEERING SERVICES  
between  
CITY OF WEST LAFAYETTE, INDIANA  
and  
GREELEY AND HANSEN LLC

This AMENDMENT NO. 1 is made on the \_\_\_\_\_ day of \_\_\_\_\_ in the year 2010 to modify the AGREEMENT dated September 28, 2009 between the City of West Lafayette, Indiana, hereinafter referred to as CITY, and Greeley and Hansen LLC, an Illinois limited liability company, with its principal office at 100 South Wacker Drive, Chicago, Illinois 60606-4003, and a regional office at 6640 Intech Boulevard, Suite 180, Indianapolis, Indiana 46278, hereinafter referred to as ENGINEER, for professional engineering services in connection with the North Side Regional Lift Station and Force Mains, the PROJECT.

This AGREEMENT is hereby amended as follows:

**SCOPE OF SERVICES**

The Services performed by the ENGINEER include preparing a preliminary engineering report (PER) in conformance with the general requirements to apply for project financing through Indiana's State Revolving Loan Fund (SRF) program.

The PER services will comprise the following:

1. Development of SRF program application with assistance from CITY,
2. Summary of project need and scope,
3. Project location (study area, service area, project area map),
4. Description of current situation,
5. Description of future situation,
6. Evaluation of alternatives, as appropriate,
7. Evaluation of environmental impacts, as needed,
8. Description of selected plan,
9. Description of legal, financial, and managerial capabilities, as needed, and
10. Public participation and public hearing.

Greeley and Hansen in conjunction with the CITY will coordinate and conduct the public participation and public hearing. The CITY will provide for advertisement and a transcript of the public hearing.

#### **COMPENSATION**

For engineering services described in the Amendment No.1 Scope of Services, the CITY agrees to pay ENGINEER in accordance with Exhibit B, Estimated Compensation indicated in the Agreement. The maximum billing limit for Amendment No. 1 shall not exceed \$17,000, including salary and reimbursable expenses, without further written authorization. With the approval of Amendment No.1, the total upper limit of compensation is increased as follows:

Original Contract	-	\$ 344,300
Amendment No. 1	-	<u>\$ 17,000</u>
Total	-	\$ 361,300

#### **OTHER MATTERS**

All provisions of the Contract not specifically modified herein shall remain in effect.

In WITNESS WHEREOF, the parties hereto have caused this AMENDMENT NO. 1 to the AGREEMENT to be executed by their duly authorized officers and partners and is made effective the day and year first above written.
